Dreamers After School Instructor, tap instructor, hip-hop/acro. I've been in the dance world since I was 7 years old, and started competitive dance when I was 8 years old. I wish to own a dance studio of my own one day

in the future. I adore the afterschoolers as I see them the most, and truly see their dedication to becoming better, and their skills are getting better by the day. Teaching tap is the most difficult but also the most fun, especially with my students who try their best. My motto is "everybody starts somewhere," as nobody starts at the top.
